American Made Clutches Since 1967

2 Year Limited Warranty

This heavy duty clutch is warranted against defective material or workmanship for a period of two years with unlimited mileage, conditions apply. Conditions include: failure to replace pilot bearings, release fork, clutch brake, and cross shaft bushings; the flywheel is not re-surfaced at time of installation; or if the unit has been dropped, tampered with, repaired, altered, improperly installed, or used in an application other than that for which it was originally intended. Friction materials used in this clutch are specifically excluded. This warranty is void if the manufacturer's installation procedures are not followed. Warranty is restricted to the original purchaser. Acceptance of any claim against this warranty is contingent on Ace having received the clutch serial number; date purchased; proof that the release system components were replaced; flywheel re-surfaced at time of installation; information showing vehicle type and class; engine make, model, and flywheel bore size. Warranty action is limited to repair or replacement, at the complete discretion of Ace Manufacturing & Parts Company, Inc. Labor claims will be evaluated on a case by case basis with no guarantee of replacement. If full or partial labor is offered, it is limited to replacement product during the first year only. No returned unit will be accepted under this warranty unless prior approval has been obtained from Ace Customer Services and identified with a returned goods authorization (RGA) number. Freight on returns must be prepaid. This warranty is in lieu of any other warranty, whether expressed or implied, including without limitation any implied warranty, merchantability or fitness of purpose. In no event shall Ace Manufacturing & Parts Company, Inc. be liable for indirect, incidental, or consequential damages resulting from the use or any claimed failure of this unit. Contact your dealer for the warranty claim form and procedure.
